keynectup

for Car Dealers

How does Keynectup help Car Dealers?

KeynectUp is the fastest way to get your dealer information into the hands of your customers. As a Car Dealer you spend a fortune getting customers through the door but you don't make it easy for them to contact you. Some dealers are spending 50% of their internet budget on just displaying their contact information to existing customers. With keynectUp, customers don't need to do an internet search, they now have your details on their phones. With KeynectUp Service Advisor call answer rates go up a massive 80%. Let us show how we can help you.

KeynectUp could be the most effective and inexpensive solution you deploy to improve your customer communication.
